Tonight is Friday and game night at the church. It is so much fun to look around and see the children and their parents. Nick Guerrero did a great job with the Wii tournaments. Scott Gillispie brought and helped with a trillion board games. Brad Van Duser baked homemade cakes. It was great fun. I watched in amazement at the number of people from our church and community.

It makes me know that we are on the right path and doing the right thing. We are reaching out to families and teaching about Jesus and having fun doing it! It makes me know that we are on the right path when we look responsibly at our facilities. Many people have worked very hard to maintain the building and the grounds. But the time has come for us to truly restore the infrastructure and systems.

We are working toward that end and need your help. When we accomplish that goal we will be better able to continue our work with programs and witness. And even while we are working we will keep on keeping on! We are working hard on some plans for our Sunday School program. Jordan and I will be starting some groups during Lent that we hope will evolve into some new small groups! Those conversations will be pertinent to the Lenten season. I am very ex-

cited. You have an invitation....we really want you to come.

Mikey is working hard on a new look and structure to our UMYF program. He needs some adult help. Mr. Ralph Lehr has already volunteered but there is room for others. Mikey may be calling you and I hope you will respond only after much prayer.

I tell you this all the time but I promise it is a real privilege to be in ministry with you at Chamblee First United Methodist Church.

You are a wonderful congregation and a wonderful people. I love being the senior pastor here. How can I ever thank you?

This January as we begin another year together, I am very excited about the possibilities for ministry. I hope you are.

Worship, program, caring for each other, having fun, raising funds, restoring our facility, living and loving as a family, being a church with the Holy Spirit guiding our way.....man-o-it just doesn't get any better than this!

Blessings,
R. Stowe
