Just for You!!*

We Have A Sunday School Class Just For You!

FORUM CLASS

The Forum Class is diverse in both age and class format. Our ages vary from the 50s into the 90s, with single adults and couples enrolled. Our lessons are from the New International Series, a resource of the United Methodist Publishing House, and our class format is both lecture and discussion. We support each other, our homebound members, and different church projects and activities. We give to a local Christmas food and clothing drive each year and many of our members are involved in supporting the activities at the United Methodist Children's Home. We appreciate visitors and gladly welcome new members to our class! We meet at 9:45 in room 123 and invite you to come join us!

Please contact Helen Hegwood at Helen.hegwood@gmail.com if you would like additional information.

FELLOWSHIP CLASS

The Fellowship Class is the newest Sunday School class at Chamblee First. As the name implies, our emphasis is on building fellowship through open, thought-provoking discussions of our reading material. Our most recent book was "Old Testament Stories from the Back Side," which gives an interesting perspective on some well-known and not so well-known Old Testament stories and relates these stories to our modern lives. We are involved in missions to the surrounding community through local service projects and internationally by serving on mission teams. We also enjoy getting together for trivia, bowling, or just a good lunch. We meet at 9:45 in room 207 and invite you to come join us!

Please contact Jennifer Teahan at jentea74@hotmail.com if you would like additional information.

FAITH WORKS CLASS

The Faith Works Class studies topics focused on spiritual growth and development. A recent book we studied titled "Forgotten God" by Frances Chan provided us with an opportunity to learn more about the Holy Spirit. Our class format includes discussion and lecture. We are actively involved as the hands and feet of Christ and are always ready to help others with meals, money, and/or prayer. As a class, we get together several times throughout the year for times fellowship and fun, too! Our members are different ages and include couples and single adults. We invite you to join us at 9:45 a.m. in room 203.

Please contact Russ McCauley (404) 636-9060 if you would like additional information.

FAITH CLASS

The Faith class studies biblically-based literature selected by a committee of class members. We begin our time of study on Sunday mornings at 9:40 with singing which is followed by an entertaining yet challenging lesson. We are an active, caring class which is always willing to be of help when called upon. We provide support for the Atlanta Transitional Center (a work release program for men leaving the Atlanta prison system), clean the church kitchen quarterly, work the Fall Festival, and provide food and drink for various church functions. Our members are couples and singles ranging in age from 55 to 75, but all are welcome and encouraged all to join us! We meet in room 204; come check us out!

Please contact Scott Pirnie at 770.457.7460 or spirnie@att.net for additional information.

GLOW CLASS

The Glow Class studies the New International Series, a resource of the United Methodist Church, which covers lessons from the Old and New Testaments throughout the year. Our class format includes lecture and discussion (and discussion is

always cherished and encouraged!!). Our members are 50 years of age and older, but our age does not define us! We actively support all church-wide projects and activities and participate in community projects through our gifts, our time, and our service. We meet at 9:45 in room 200 and welcome all visitors!

Please contact Betty Robinson at 770.452.0420 if you would like additional information.

PATHFINDERS CLASS

The Pathfinders Class uses a variety of sources for study, such as books that draw directly from stories and people in the Bible, works of fiction, and video series. Our studies are focused on the issues and challenges facing Christians today and our class is structured in a way that encourages discussion, debate, and even disagreement! The members of our class are 45 years of age and up and include single adults and couples at a variety of life stages and situations. We use our talents and gifts to serve the church and to support the various ministries and activities of the church. We meet in room 205 and visitors are always welcomed!

Please contact Vicky Wingerter at VLFoster2000@yahoo.com if you would like additional information.

LIFE NOW CLASS

Life Now is a co-ed adult class founded with the mission of providing a safe, confidential setting for church members and visitors at all levels of scriptural knowledge. The class collectively selects books and materials that provide a meaningful Bible-based lesson with present day application to the lives of busy, multi-tasking parents, singles and couples. We meet in room 201 and visitors are welcome.
